Safety Information

All assembly fixings should be tightened properly and care should be taken that no fittings are loose. Regular tightening of the bolts is recommended to extend the lifespan of the product. Please follow all the instructions when assembling the product and do not use power tools when building.

Warning: The product should not be used if any structural part is broken or missing. If any part is missing or broken report it and we will replace, do not attempt to fix the item or purchase additional parts not included with the bed; this will invalidate the warranty.

Warning: Children can strangle in items such as ropes, strings, cords, harnesses and belts attached to or hung on a bunk bed. Do not attach any such items to the product to prevent risk of serious injury.

Warning: High Beds and the upper bed of Bunk Beds are not suitable for children under 6-years due to the risk of injury from falls.

Product Conformity

This product conforms to European Safety Standards - BS EN747:2012+A1:2015 Specification for Bunk Beds & High Beds.

Mattress Requirements

Maximum thickness of mattress: 19cm, the max mattress thickness must not be over the maximum mattress thickness marking marked on the upper bed. Recommended size of the mattress: Length 190cm *Width 90cm *Depth 19 cm.
